MSci Interim Report

October 19, 2023

Contents

1	Introduction	2
1.1	A subsection	2
2	Statement of Problem	2
3	Background Survey	2
4	Proposed Approach	2
5	Work Plan	2

1 Introduction

briefly explain the context of the project problem

1.1 A subsection

Please note your proposal need not follow the included section headings - this is only a suggested structure. Also add subsections etc as required

example references: [1]

2 Statement of Problem

clearly state the problem to be addressed in your forthcoming project. Explain why it would be worthwhile to solve this problem.

3 Background Survey

present an overview of relevant previous work including articles, books, and existing software products. Critically evaluate the strengths and weaknesses of the previous work.

4 Proposed Approach

state how you propose to solve the software development problem. Show that your proposed approach is feasible, but identify any risks.

5 Work Plan

show how you plan to organize your work, identifying intermediate deliverables and dates.
